Press Release

Royal City Musical Productions is currently planning its 2010 Season. Our season consists of two shows, a spring show which is presented in an intimate venue, and a fall production which appears on the Main Stage, both at the River Run Centre in Guelph.

Potential directors are invited to make submissions to be considered for this upcoming season. Directors with prior musical theatre experience will be considered for our fall show while the spring show is a good opportunity for emerging directorial teams.

Past spring shows have ranged from Musical Reviews to Gilbert and Sullivan Operettas. Our fall productions have been large Broadway style shows. Please visit our web site at www.rcmpi.com for a full listing of the shows we have presented.

For the Spring Show, our Artistic Direction Committee has suggested that the company consider producing "Sullivan and Gilbert" by Ken Ludwig or "Follies" by Sondheim & Goldman. However, if you have a show which you believe would be an option for consideration, please feel free to make your recommendation.

For the Fall Show, we are looking for individuals to help us produce one of the following shows:

"Fiddler on the Roof" by Bock, Harnick, Stein

"Into The Woods" by Steven Sondheim

"Evita" by Webber & Rice

Please submit your proposal to RCMPI by March 1, 2009 for the Spring Show and by June 1, 2009 for the Fall Show. Proposals should include why you would like to direct the show, if you have any other team members, briefly outline your vision for the production and your past experience. A detailed show plan is not required at this point. Your submission can be emailed to us at sallen8989@rogers.com or you can mail them to us at our address as shown above.

Thank you for your interest. We will respond to every submission and provide details regarding an interview with our show selection committee if your submission is chosen for further consideration.
