More about Mikado:

The Mikado will be RCMPI's fifth Gilbert and Sullivan production having produced ***The Pirates of Penzance***, ***The Gondoliers***, ***HMS Pinafore*** and ***Iolanthe*** over the last five years. ***The Mikado*** is a comical musical in the same style, this time set in Japan. Once again, the timeless humour of Gilbert is brought to life, this time through the setting of a thoroughly British-stereotypical Japan. By abstracting the setting in ***The Mikado***, Gilbert managed to dig mercilessly at the British establishment, civil service and red tape without directly offending anyone. ***The Mikado*** has become the most well-known and commonly produced operetta of all time.

More about RCMPI:

Royal City Musical Productions Inc. was formed in 1978 by dedicated volunteers in Guelph to produce Broadway style musicals. It has done this for the last 29 years including our recent production of ***Kiss Me Kate***.

RCMPI currently produces 2 shows per year, a full scale musical on the Main Stage at River Run Centre in November and a smaller scale musical in the more intimate Cooperators Hall in April.

Our 30th anniversary season in 2008 consists of Gilbert and Sullivan's ***The Mikado*** playing April 24th-27th and Disney's ***The Beauty and the Beast*** on stage in November.
