

ROYAL CITY MUSICAL PRODUCTIONS INC

July 20th, 2007

For Immediate Release:

SPRING SHOW SELECTION FOR 2008.

This is to let you know that RCMPI is currently in the process of accepting Expressions of Interest from directors who would like to direct a show for our Spring Show time slot in the 2008 season.

These Expressions of Interest should be from someone who is prepared to be part of the artistic team of the production and feels that they have a show that meets the needs and capabilities of RCMPI. The Spring Show has traditionally been used as a forum to allow directors and other production team members to gain experience and as such, extensive experience is not a pre-requisite. You must, however, be prepared to work with other team members of varying degrees of experience.

RCMPI has been producing a Spring Show for about 10 years and has included revue type shows, original shows, a pantomime and Gilbert and Sullivan operettas. Please visit our website for more details. If you have a show that is appropriate for staging at Co-operators Hall at River Run Centre and would like to be considered for a directorial position, please fill out the online Expression of Interest Form:

<http://guelpharts.ca/rcmpi/form.php?id=34> The deadline for submission is Friday, August 3rd, 2007.

The spring show is tentatively scheduled for performance in the last week of April, 2008.

This is part of the show selection process. If a show is selected based on an Expression of Interest by an individual, that individual will be given first right of refusal on the artistic team for the production. RCMPI may, if it deems appropriate, select a different show and subsequently request applications from interested individuals to be part of the artistic direction team for that production. It is hoped that this process will allow for the greatest amount of flexibility and opportunity.

Please note that we are currently only considering options for our spring show and a request for interest in our Fall Show production will be released in the coming months.

If you have any questions regarding this or want to provide more information, please contact RCMPI: rcmpi@guelpharts.ca or through our website: www.rcmpi.com.
